Orient Strain Hybrid Amaryllis
Hippeastrum Blooms.

FANCY LEAVED GALADIUMS, no blooms. Mixed varieties and colors. 3 bulbs \$1.00 or 6 for \$1.75 — 6" circumference.

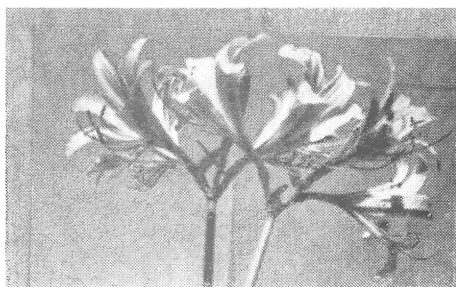

BEGONIAS, Belgium imported, in Red, Orange, Copper, Pink, Salmon and Yellow. 1½" to 2" bulbs. — Double Camelia type: 3 bulbs \$1.00 or 6 for \$1.75. — Single Camelia type same prices and sizes.

ACHIMENES, India import in mixed colors offered in place of Pendula Begonias. — These miniature GLOXINIA like blooms are ideal for hanging baskets and porch or window boxes. Tiny blooming size tubers \$1.10 per dozen or 25 for \$1.75.

ISMENE, Hymenocallis Calathina, often called Peruvian daffodil or white spider lily. Very fragrant white flowers during summer, not hardy north outdoors. — Large blooming size bulbs \$2.00 each, smaller \$1.50 — still smaller \$1.00 each.

GLORIOSA LILY — superba, orange and red blooms, rothschildiana, crimson. These natural climbers of fabulous beauty in 5" tubers \$1.10 each.

KAEMPFERIA, Atro-virens — peacock leaved with rosy-pink flowers, very unusual appearance. Plump blooming size tubers, \$2.00 each.

Lycoris Squamigera Blooms

LYCORIS SQUAMIGERA — the hardy Amaryllis Hali — often called the Japanese Magic Lily. Graceful straplike foliage which dies down in midsummer, then in August suddenly appears a stem 2 to 3 feet tall topped with a cluster of fragrant, dainty lavender-rose blooms 3" to 4" across. Very easy to grow and multiply, we recommend them highly. 6" circumference bulbs \$3.50 per dozen, with live roots.

HARDY LYCORIS RADIATA — the old fashioned red spider lily, displays a cluster of bright red flowers on 16" to 18" stems following winter foliage. Very desirable 1" diameter blooming size bulbs \$2.50 per dozen, with live roots.

AMARYLLIS BOOK — general handling and care of imported hybrid Amaryllis bulbs 50c per. copy.
